for duty, to prevent the necessity
of returning to the Regt His
duties with the Regt as clerk in
Regt's hospital were not more
severe than those now performed
by him at Memphis.

The remarks concerning pri-
vate Adolphus M. Robertson Co. A
33 Mo. Inf. Vols. in the General
Roll (stating) said Robertson
"has secured detached duty since
becoming fit for duty" are
certainly made under a mis-
apprehension of his condition,
because (varicose) hardly ever
disappears by the efforts of nature
and very rarely by those of art.
Robertson is not now and never
will be fit for field service.
